

Name: Jon Billet

Project Role: Collaborator

Affiliation: Geisinger Health System

City, State: Danville, Pennsylvania

Phone: 570-490-8500

Email: jabillet@geisinger.edu

Personal Statement: Jon Billet serves as Program Director for the Advanced Application Development Team (AADT), Geisinger's Institute for Advanced Application (IAA). In his role, he is responsible for all development activities including team direction, strategy, and technical lead responsibilities of the AADT that support project and organizational initiatives. Jon serves as the internal and external key contact for development and advisory related activities the AADT performs. Prior, Jon worked as a federal government contractor before entering healthcare. Duties included architecting software for the Department of Defense, the State Department, the GSA, the IRS, and other government agencies. Jon brings 15 years of experience in the web-based development arena.
