

Name: Kristi Klicko, MS

Project Role: Collaborator

Affiliation: Medical Education Institute, Inc.

City, State: Madison, Wisconsin

Phone: 608-833-8033

Email: klicko@meiresearch.org

Personal Statement: Kristi Klicko is the Director of Operations for Medical Education Institute. I have worked in the renal field for 17 years and I enjoy working for a small non-profit that helps people with kidney disease learn to manage and improve their health.

Hobbies/Interests: Being with family and pets; traveling to tropical areas; kickboxing

Why this project is important to me: This project is a great collaboration to be a part of. I'm interested in seeing how all of the pieces work in a health system and EHR. I think that getting the right tools in front of patients is critical to help them make decisions about their care and manage their health.
